# Dimas Prihandoko

Graphic Designer - UI/UX Designer

ABOUT ME

Third-year student of Informatics at Faculty of Sains and Technology, University of Technology Yogyakarta. Passionate, reliable, hardworking, and honest. I am a person who is responsible, assertive, cheerful, has good communication skills, good time management, and wants to learn. I am able to work either as a team or as an individual.
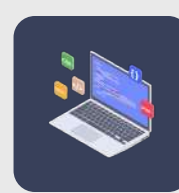

I have some experience in translator and a little bit interested about web development and UI/UX Design, I have a general understanding of several programming languages.
